

Ride for a Purpose - Ride for the Hornbills

Join the Momentum 94.7 Cycle Challenge

The Mabula Ground-Hornbill Project has registered as a charity bond for the Momentum 94.7 Cycle Challenge. The Ride for a Purpose campaign is an excellent way of enabling all of you to help us raise funds and awareness for Southern Ground-Hornbill conservation in a fun, innovative (and exhausting) way.

So drag your dusty bicycle out of your garage and come enjoy this challenging day with us. Some of us are doing the whole route in Ground-Hornbill outfits – let us know if you are keen to be one of the group. It does not matter if you are a novice or a pro, this event is for all. For the skeptic Novice the race is only in November, leaving plenty of time for training – it's great way to get fit for summer. So get out and get cycling!

How much can you raise?

Get friends and family to sponsor you for every km you ride as a donation to the Project & let your team leader know how much you have raised!
